BEER DESCRIPTION

Over the last eight years, the multitalented Alex Espinosa has led the Tasting Room staff, kept the CCB offices humming smoothly and navigated the jungles of state and federal label approval with skill, dedication and an unflappable smile. Never has there been a finer ambassador for Cigar City Brewing and Tampa, Florida.

TASTING NOTES

The unmistakable aroma of hazelnuts and coffee greet the nose, with bakers chocolate, maple syrup and plums playing supporting roles. The flavors of this bourbon barrel-aged stout focus more on dark chocolate and espresso with coffee, hazelnuts and maple mingling with bourbon notes and texture from extensive barrel aging.
