BEER DESCRIPTION

The Tocobaga people lived off the bounty of Tampa Bay hundreds of years before the arrival of the Spanish in the 1500's. They were potters, tool makers and the only Florida natives to grow maize. These original Tampanians are celebratedwith Tocobaga Red IPA, an assertive but balanced ale that marries the pine and citrus qualities of Citra hops with an assertive bitterness from Summit hops and malt flavors of caramel and bread crust. Â This is a Year-Round offering in the Southeastern US

TASTING NOTES

Brimming with Citra hops, our Hoppy Red Ale tempers its bitterness with rich malt flavors reminiscent of caramel and bread crust. Notes of blueberry and pine round out this assertive yet balanced ale.
